Royal Society of Tasmania 1986, pp. 44-50.

UNSPECIFIED PARTS OF THE PENINSULA

FERNS

BLECHNACEAE

Blechnum nudum

Blechnum wattsi

DENNSTAEDTIACEAE

Pteridium esculentum

DICKSONIACEAE

Dicksonia antarctica

GLEICHENIACEAE

Gleichenia microphylla

LINDSAEACEAE

Lindsaea linearis

MONOCOTS

CYPERACEAE

Gahnia grandis

IRIDACEAE

Diplarrena moraea

Patersonia fragilis

Romulea rosea

i

JUNCACEAE

Juncus pallidus

LILIACEAE

Bulbine bulbosa

Dianella revoluta

Dianella tasmanica

Drymophila cyanocarpa

ORCHIDACEAE

Acianthus caudatus

Acianthus pusillus

Caladenia echidnachila

e

Calochilus herbaceus

e

Chiloglottis gunnii

e

Diuris pardina

Glossodia major

Lyperanthus suaveolens

Microtis sp.

Pterostylis melagramma or *P. williamsonii*

Pterostylis nutans

Pterostylis pedunculata

Pterostylis plumosa

Thelymitra ixioides

POTAMOGETONACEAE

Potamogeton sp.

XANTHORRHOACEAE

Lomandra longifolia

XYRIDACEAE

Xyris tasmanica

e

Xyris muelleri

e

Xyris operculata

DICOTYS

AIZOACEAE

Carpobrotus rossii

Tetragonia implexicoma

APOCYNACEAE

Parsonsia brownii

ASTERACEAE

Bedfordia salicina

e

Brachyscome sp.

Cassinia aculeata

Coronidium scorpioides

Cotula coronopifolia

i

Lagenophora stipitata

Leptinella filicula

Olearia argophylla

Olearia ciliata

Olearia floribunda

Olearia lirata

Olearia phlogopappa

Olearia ramulosa

Olearia ramulosa var. Devils Kitchen

Ozothamnus ferrugineus

Ozothamnus purpurascens

e

Ozothamnus reticulatus

e

Senecio pinnatifolius var. *pinnatifolius*

Senecio linearifolius

BORAGINACEAE

Cynoglossum suaveolens

BRASSICACEAE

Cakile edentula

i

CAMPANULACEAE

Wahlenbergia spp.

CASUARINACEAE

Allocasuarina monilifera

e

CHENOPODACEAE

Rhagodia candolleana subsp. *candolleana*
Sarcocornia quinqueflora

CUNONIACEAE

Bauera rubioides

DILLENACEAE

Hibbertia procumbens
Hibbertia riparia

DROSERACEAE

Drosera auriculata

ELAEOCARPACEAE

Aristotelia peduncularis

e

EPACRIDACEAE

Astroloma humifusum
Epacris impressa
Epacris lanuginosa
Epacris myrtifolia
Leptecophylla juniperina subsp. *juniperina*
Leucopogon collinus
Leucopogon ericoides
Leucopogon parviflorus
Monotoca elliptica
Pentachondra involucrata
Sprengelia incarnata

e

e

ESCALLONIACEAE

Anopterus glandulosus

e

EUPHORBIACEAE

Amperea xiphoclada
Beyeria salicina
Poranthera microphylla

FABACEAE

Aotus ericoides
Bossiaea cinerea
Bossiaea prostrata
Daviesia ulicifolia
Dillwynia glaberrima
Gompholobium huegelii
Kennedia prostrata
Platylobium triangulare
Pultenaea daphnoides
Pultenaea gunnii
Pultenaea juniperina
Sphaerolobium minus

FAGACEAE

Nothofagus cunninghamii

GERANIACEAE

Pelargonium australe

GOODENIACEAE

Goodenia lanata
Goodenia ovata

HALORAGACEAE

Gonocarpus teucrioides

LAMIACEAE

Stachys arvensis

i

LAURACEAE

Cassytha pubescens

LOGANACEAE

Mitrasacme pilosa

MIMOSACEAE

Acacia dealbata
Acacia genistifolia
Acacia melanoxydon
Acacia myrtifolia
Acacia suaveolens
Acacia verticillata subsp. *verticillata*

MONIMIACEAE

Atherosperma moschatum subsp.
moschatum

MYOPORACEAE

Myoporum insulare

MYRTACEAE

Calytrix tetragona
Eucalyptus amygdalina
Eucalyptus obliqua
Eucalyptus tenuiramis
Eucalyptus viminalis subsp. *viminalis*
Euryomyrtus ramosissima
Leptospermum glaucescens
Leptospermum lanigerum
Leptospermum scoparium
Melaleuca gibbosa
Melaleuca pallida
Melaleuca squamea
Melaleuca squarrosa

e

e

e

OLEACEAE

Notelaea ligustrina

OXALIDACEAE

Oxalis corniculata

i

DICOTS

AIZOACEAE

Carpobrotus rossii

APIACEAE

Hydrocotyle hirta

ASTERACEAE

Bedfordia salicina e*Gnaphalium* sp.*Olearia argophylla**Olearia persoonioides* e*Olearia phlogopappa**Ozothamnus antennarius* e

CONVOLVULACEAE

Dichondra repens

ELAECARPACEAE

Aristolelia peduncularis e

EPACRIDACEAE

Cyathodes platystoma e*Epacris impressa**Leptecophylla juniperina* subsp. *juniperina**Leucopogon parviflorus**Monotoca glauca**Richea dracophylla* e

ERICACEAE

Gaultheria hispida

ESCALLONIACEAE

Anopterus glandulosus e

EUPHORBIACEAE

Beyeria viscosa

FABACEAE

*Pultenaea daphnoides**Pultenaea juniperina*

FAGACEAE

Nothofagus cunninghamii

HALORAGACEAE

Haloragis sp.

GOODENIACEAE

Goodenia ovata

LAMIACEAE

Prostanthera lasianthos var. *lasianthos*

MIMOSACEAE

*Acacia melanoxylon**Acacia riceana* e*Acacia verticillata*

MONIMIACEAE

Atherosperma moschatum subsp.*moschatum*

MYRTACEAE

Eucalyptus delegatensis subsp. *tasmaniensis* e*Eucalyptus obliqua**Leptospermum lanigerum**Leptospermum scoparium**Melaleuca pallida*

OLEACEAE

Notelaea ligustrina

PROTEACEAE

*Banksia marginata**Hakea lissosperma*

RHAMNACEAE

Pomaderris apetala subsp. *apetala**Pomaderris elliptica*

ROSACEAE

Acaena novae-zelandiae

RUBIACEAE

*Coprosma hirtella**Coprosma quadrifida*

RUTACEAE

*Correa lawrenceana**Correa reflexa* var. *reflexa**Zieria arborescens* subsp. *arborescens*

SANTALACEAE

*Exocarpos cupressiformis**Exocarpos syrticola*

THYMELAEACEAE

Pimelea drupacea

STYLIDIACEAE

Stylidium graminifolium

VIOLACEAE

Viola hederacea

WINTERACEAE

Tasmannia lanceolata

PARTIAL LISTS

REMARKABLE CAVE

FERNS

Asplenium obtusatum subsp. *northlandicum*

DICOTS

Acacia verticillata subsp. *ruscifolia*

Banksia marginata

Bedfordia salicina e

Epacris myrtifolia e

Euryomyrtus ramosissima

Leptospermum scoparium

Ozothamnus purpurascens e

Plantago triantha e

Stylidium armeria

FORTESCUE FOREST RESERVE

Epacris marginata e

Euphrasia phragmostoma e

Richea dracophylla e

Spyridium obovatum var. *obovatum* e

Thismia rodwayi – exact location in the area was not given, probably Bivouac Creek.

TRACK TO MT FORTESCUE

Bedfordia linearis subsp. *oblongifolia* var. *curvifolia* e

Boronia pilosa subsp. *tasmaniensis* e

Epacris marginata e

Euphrasia amphisysepala e

Euphrasia semipicta e

Hakea epiglottis subsp. *epiglottis* e

Leptospermum grandiflorum e

Richea dracophylla e

Spyridium gunnii e

Spyridium obovatum var. *obovatum* e

FERNS IN VALLEY OF BIVOUAC

CREEK (from Reg Williams)

ASPLENIACEAE

Asplenium bulbiferum

Asplenium flabellifolium

Asplenium obtusatum subsp. *northlandicum*

BLECHNACEAE

Blechnum chambersii

Blechnum fluviatile

Blechnum nudum

Blechnum patersonii subsp. *patersonii*

Blechnum wattsi

DENNSTAEDTIACEAE

Hypolepis rugulosa

Pteridium esculentum

DICKSONIACEAE

Dicksonia antarctica

DRYOPTERIDACEAE

Polystichum proliferum

Rumohra adiantiformis

GLEICHENIACEAE

Gleichenia microphylla

GRAMMITIDACEAE

Ctenopteris heterophylla

Grammitis billardiarei

HYMENOPHYLLACEAE

Crepidomanes venosum

Hymenophyllum australe

Hymenophyllum cupressiforme

Hymenophyllum flabellatum

Hymenophyllum peltatum

Hymenophyllum rarum

POLYPODIACEAE

Microsorium pustulatum subsp. *pustulatum*

Margaret Allan, Dick Burns
