

**Australian Plants Society Tasmania Inc.
Tom Gibson Nature Reserve Species List**

- = Rare or threatened species,
- * = introduced species
- ? = confirmation required

Dicotyledoneae

Amaranthaceae

Ptilotus spathulatus

Apiaceae

Daucus glochidiatus

Erygium vesiculosum

Hydrocotyle capillaris

Hydrocotyle hirta

Asteraceae

• *Arctotheca calendula*

Argentipallium dealbatum

Brachyscome aculeata

? *Brachyscome decipiens*

? *Brachyscome radicans* syn. *B. nivalis*

Cassinia aculeata

Centipida elatinoides syn. *C. minima*

Cotula australis

Coronidium scorpioides

Euchiton japonicus syn. *Gnaphalium collinum*

Hyalosperma demissum

**Hypochaeris glabra*

Lagenophora huegelii

Lagenophora stipitata

Leptorhynchos squamatus subsp. *squamatus*

Microseris lanceolata

• *Millotia tenuifolia*

Podolepis jaceoides

Siloxerus multiflorus syn. *Rutidosis multiflora*

Senecio hispidulus

Solenogyne dominii

Solenogyne gunnii

Triptilodiscus pygmaeus

Vellerophyton dealbatum

Campanulaceae

Lobelia gibbosa

Wahlenbergia gracilis syn. *W. quadrifida*

Wahlenbergia gymnoclada

Wahlenbergia multicaulis syn. *W. tadgelli*

Carophyllaceae

Cerastium glomeratum

Stellaria media

Casuarinaceae

Allocasuarina littoralis

Allocasuarina verticillata

Clusiaceae

Hypericum gramineum

Hypericum japonicum

Convolvulaceae

Convolvulus angustissimus subsp.

angustissimus syn. *C. erubescens*.

Dichondra repens

Crassulaceae

Crassula sieberiana

Dilleniaceae

Hibbertia hirsuta

Hibbertia prostrata

Hibbertia riparia

Hibbertia serpyllifolia

Droseraceae

Drosera auriculata

Drosera peltata

Epacridaceae

Acrotriche serrulata

Astroloma humifusum

Leucopogon virgatus

Lissanthe strigosa subsp. *subulata*

Euphorbiaceae

Amperea xiphoclada var. *xiphoclada*

Phyllanthus australis

Poranthera microphylla

Fabaceae

Bossiaea cinerea

Bossiaea prostrata

• ? *Glycine latrobeana*

Gompholobium huegelii

Hovea heterophylla syn. *H. linearis*

Kennedia prostrata

Platylobium obtusangulum

• *Pultenaea humilis*

Pultenaea pedunculata

Pultenaea prostrata

**Ulex europaeus*

Geraniaceae

Geranium solanderi

Pelargonium australe

Goodeniaceae

Goodenia elongata

Goodenia lanata

Haloragaceae

Gonocarpus tetragynus

• *Haloragis heterophylla*

• *Muriophyllum integrifolium*

Lauraceae

? *Cassytha glabella*

Linaceae

Linum marginale

**Australian Plants Society Tasmania Inc.
Tom Gibson Nature Reserve Species List**

Mimosaceae

Acacia dealbata
Acacia mearnsii

Myrtaceae

Eucalyptus amygdalina
Eucalyptus ovata
Eucalyptus pauciflora subsp. *pauciflora*
Eucalyptus viminalis subsp. *viminalis*

Oxalidaceae

Oxalis corniculata

Pittosporaceae

Bursaria spinosa

Polygalaceae

Comesperma volubile

Proteaceae

Banksia marginata
Persoonia juniperina

Ranunculaceae

Ranunculus glabrifolius

Rhamnaceae

- *Spyridium vexilliferum* var. *vexilliferum*
- *Stenanthemum pimeleoides*

Rosaceae

Acaena echinata
Acaena ovina syn. *A. agnipila* var. *aequispina*

Santalaceae

Exocarpos cupressiformis
Exocarpos strictus
Leptomeria drupacea

Sapindaceae

Dodonaea viscosa not seen

Scrophulariaceae

Mazus pumilio
Veronica calycina
Veronica gracilis

Stylidiaceae

Stylidium graminifolium

Thymelaeaceae

Pimelea humilis
Pimelea linifolia

Violaceae

Viola betonicifolia
• *Viola cleistogamiodes*
Viola hederacea
Viola sieberana

Monocotyledoneae

Centrolepidaceae

- *Aphelia gracilis*
- *Aphelia pumilio*
- Centrolepis aristata*
- Centrolepis strigosa* subsp. *strigosa*

Cyperaceae

Baumea acuta
Baumea arthropphylla
Carex breviculmis
Eleocharis acuta
Isolepis crassiuscula
Isolepis marginata
Isolepis levynsiana syn. *Cyperus tenellus*
Lepidosperma concavum
Lepidosperma gunnii
Lepidosperma longitudinale
Schoenus absconditus
Schoenus apogon
Schoenus sp.

Juncaceae

Juncus bufonius
* *Juncus capitatus*
Juncus holoschoenus
Juncus pallidus
Juncus subsecundus
Luzula densiflora
Luzula meridionalis

Juncaginaceae

Triglochin nana syn. *T. centrocarpum*

Liliaceae

Arthropodium milleflorum
Arthropodium minus
Arthropodium strictum syn. *Dichopogon strictus*
Caesia parviflora var. *parviflora*
Caesia parviflora var. *vittata*
Chamaescilla corymbosa var. *corymbosa*
Dianella revoluta var. *revoluta*
Hypoxis hygrometrica var. *hygrometrica*
• *Hypoxis vaginata* var. *vaginata*

Orchidaceae

Caladenia camea
Caladenia clavigera
? *Caladenia dilatata*
• *Caladenia filamentosa*
• *Caladenia fuscata*
Caladenia gracilis
• *Caladenia patersonii*
• *Calochilus campestris*
? *Corybas incurvus*
Cyrtostylis reniformis
Diuris pardina
Diuris sp.
Eriochilus cucullatus

**Australian Plants Society Tasmania Inc.
Tom Gibson Nature Reserve Species List**

Glossodia major
Leptoceras menziesii
Microtis unifolia
Prasophyllum sp.
Pterostylis melagramma
Pterostylis nana
Pterostylis nutans
Pterostylis parviflora
Pterostylis pedunculata
Pterostylis plumosa
Thelymitra carnea
Thelymitra pauciflora

Poaceae

Amphibromus archeri
• *Amphibromus macrorhinus*
Austrostipa flavescens
Austrostipa mollis
Austrostipa semibarbata
Austrostipa stuposa
Deyeuxia quadriseta
Elymus scaber
?**Eragrostis brownii*
**Hordeum* sp.
Lachnagrostis aemula
Lachnagrostis filiformis
Microlaena stipoides
Pentapogon quadrifidus var. *quadrifidus*
Pentapogon quadrifidus var. *parviflorus*
Poa hookeri
? *Poa labillardierei* var. *acris*
Poa labillardierei var. *labillardierei*
**Poa pratensis*
Poa rodwayii
Poa sieberiana var. *sieberiana*
Rytidosperma caespitosum
Rytidosperma dimidiatum
Rytidosperma gracile
Rytidosperma laeve
Rytidosperma pilosum
Rytidosperma racemosum var. *racemosum*
Rytidosperma setaceum
Tetrarrhena distichophylla
Themeda triandra

Potamogetonaceae

Potamogeton tricarinatus

Restionaceae

Apodasmia brownii syn. *Leptocarpus brownii*

Typhaceae

Typha sp.

Xanthorrhoeaceae

Lomandra longifolia
Lomandra nana

Pteridophyta – Ferns

Dennstaedtiaceae

Pteridium esculentum

Ophioglossaceae

Ophioglossum lusitanicum subsp. *coriaceum*

Based on a species list prepared for the Tom Gibson Nature Reserve Draft Management Plan by the Tasmanian Parks and Wildlife Service, 1996. Department of Environment and Land Management.

Corrected for the species names in the 2013 Census of Tasmanian Vascular Plants
